Agendum 1: Minute approval of the previous meeting

The minutes of the previous meeting held on September 12/2017 were reviewed and approved.

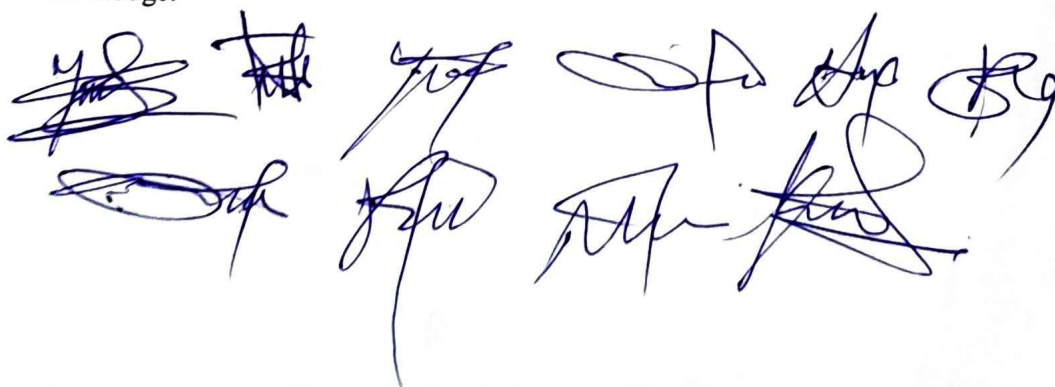

Agendum2: Approval of 2017 E.C First Half Fiscal Year Performance Report:

After checking the presence of most attendants, the Department Head (chairperson) welcomed the participants and opened the meeting. The chairperson presented the performance report for the 2017 E.C first half of the fiscal year (July 2016-December 2017). Academic staff and student representatives participated in the discussion and provided their comments on the report. The

The main key Achievements:

The department has demonstrated significant progress in enhancing education quality:

- Digital Library: 100% of books have been uploaded, improving student access to resources.
- Qualification Exam Preparation: 50% of students have actively participated in preparation seminars.
- Infrastructure Development: 100% of lecture halls and classrooms in the new building block 13 are ready for use.
- Student Engagement: 80% of students attended lectures, 40% completed CBDs, and 30% participated in PBL and tutorials.
- Continuous Assessment: 70% of students were continuously assessed, ensuring regular feedback and performance tracking.
- High Pass Rate: A remarkable >95% pass rate on the qualification and licensure exams demonstrates the effectiveness of the department's teaching and student preparation.
- Quality Assurance: Regular meetings with students and staff on quality, along with oversight by college academicians, demonstrate a commitment to continuous improvement.
- Strong Emphasis on Practical Learning: 70% of students have completed practical attachments with positive feedback, indicating a strong emphasis on real-world experience.
- Improving Institutional Capacity: Internal audit and reporting systems have been strengthened. 70% of staff training has been conducted, enhancing their skills and knowledge.

A collection of approximately ten handwritten signatures in blue ink, arranged in two rows. The signatures are stylized and vary in length and complexity, representing the participants in the meeting.

- Leadership and Accountability: Regular meetings with staff and students have improved feedback mechanisms and fostered a sense of accountability.

Challenges faced:

- Procurement Delays and Limited Internet Access: These factors have hindered the timely delivery of equipment and online learning opportunities.
- Lack of Furnished Staff Office: This creates challenges in staff accessibility and efficiency.
- Transportation and Budget Constraints: These limitations have impacted the availability of hospital attachment opportunities for students.

Following the discussions and comments on the report, the report was approved anonymously.

The chairperson acknowledged the efforts and contributions of all educational staff and students. The chairperson also acknowledged the constructive comments and suggestions received from all participants.

As there were no any other matters raised the meeting was adjourned at 11:00PM
